YES
Does your dog have a stable temperament ?
YES
NO
Does your dog fit the breed standard?
YES
Is your dog healthy and been certified for CERF (eyes) and other health tests as recommended for the breed. Free of genetic diseases.
NO
YES
Yes, you have a dog of breeding quality. However, if you are not active in showing or working your dog, think very carefully about your reasons for breeding. Breeding should be done to improve the breed, not so the kids can see puppies being born, or because "you want a puppy from her", and NEVER to make money selling puppies.
DON'T BREED OUT OF GREED!!!
