Lori, along with her first Newfoundland Magic, established Pet Empawrium & Spaw in 2002 for fur-families with discriminating taste and above average involvement with their canine and feline fur-children. Her knowledge, passion and customer service come from 7 years in veterinary technology, and various experiences in retail, management, sales and marketing.

Currently, Lori is a columnist for The Colorado Dog Magazine, giving voice to the pure breed dog fancy and responsible breeding.

Breed that owns this supplier **Newfoundland**
