

Roundup Cluster 17th-20th of September, 2009

I just wanted to invite everyone to the 4-day AKC Fall Roundup Cluster in Helena, Montana, in September. The Bozeman and Helena clubs are joining forces in one location, Helena -- no more having to pack up and drive two hours north, and re-setup. AND we'll be in a gorgeous HUGE, BRAND NEW cement-floor (matted) Exhibition Building -- no more dirt floors, pigeon poop from above, or open-to-the-weather walls. We'll have lots of reserved RV parking and grooming areas available, free day parking, and spacious open areas to walk/exercise dogs. We have an excellent slate of judges and remember, there's a pretty generous point schedule for Montana right now!!

There will be Rally and Obedience trials also inside the same Exhibition building. AAANNND . . . (I'm so excited!) Friday evening we'll be offering 5-minute practice/training sessions in the very same obedience/rally rings you'll be competing in during the day!!!

We'll be offering a great raffle, numerous vendors, CERF and microchip clinics, and an evening presentation on "Taxes, Non-Profits and Dog Clubs" by a tax attorney.

The weather is usually quite nice in September (cooler for the dogs!), the drive to Helena from any direction is spectacularly gorgeous, and there's lots to do in the area (and no sales tax in Montana).

Dates are Thursday through Sunday, the 17th-20th of September, 2009. Premiums from Onofrio should be out early in August. Feel free to contact me (show chair Thursday and Friday) if you have any questions.

Vicky Whitney in Bozeman, Montana
permission (and encouragement!) to cross-post
